No matter how distant your relatives, you can still afford to talk to all of them. When you call during discount calling times.

You'll save 60% when you call any day after 11 PM and before 8 AM. All day Saturday. And Sunday until 5 PM.

Dial direct without operator assistance and the most you'll ever have to pay for a

20-minute out-of-state visit anywhere in the continental U.S. except Alaska is \$3.84. Including tax.

Make your money go long distance. Go ahead and reach out and touch someone during discount calling times.

After all, the last thing inflation should touch is the bond between family and loved ones.

CUT 60% OFF YOUR LONG DISTANCE BILL WITHOUT CUTTING OFF ANY OF YOUR RELATIVES.

Reach out
and touch someone.
